Belgium Slate

Sandstone Coarse

EUROPEAN COBBLE SERIES

Poline has designed a new radial stamp, unlike any on the market, that can create a radius of infinite dimensions with one affordable set of tools. Even more innovative, this stamp series can also create a Serpentine Cobble, a Straight Cobble and several band tool designs. With the 5 tools in the series, the possibilities are only limited by one's imagination.

RADIAL COBBLE

SERPENTINE COBBLE

STRAIGHT COBBLE

European Cobble Series
